There's a reason for Pastor Has Made Deep Impression. Who Are to Assist—New Pastor Has Made Deep Impression. Timp End success.

That reason everybody who comes to the Mill End sale can plainly see. That reason is no secret; there are no secrets about the Mill End sale. That reason is to be found in the value of the Mill End sale's merchandise and in the lowness of its prices. Nothing else, nor all things else, could win the success that has been won. Any combination of attractions which did not contain these two distinctive features, would not win success. The Mill End sale has its foundation in them, it is built of them, it is what it is because of them.

For a day or two past, we have been printing some illustrations of this Mill End combination. For every one that you have read ,there are dozens in the sale. We haven't said a word about many many things. Good new rubbers for women that the Mill End sale brings at 39c, for example. Beautiful \$1.50 embroidered flouncings at 75c are another example. \$1 all-linen table damask at 79c ayard, is still another. And 50-cent wall-papers at 30c; \$2 umbrellas for \$1.65—why, we might go on and tell of any number more. But this is enough; it gives fair idea of how the Mill End sale extends to every section of the store.

With such an opportunity at hand, with such savings to be made with such ease; is it any wonder that shoppers are coming to the Mill End sale in larger numbers than ever? How satisfactory it is to be able to buy necessary articles and luxuries at a like saving! What a pleasure there is in spending money when one saves it at the same time. That is the Mill End pleasure. Are you sharing in it to the fullest extent?
